US ARMY COMMAND AND GENERAL STAFF COLLEGE MASTER'S DEGREE THESES, 1987

These theses were written by students of the 1986-87 class of the US Army Command and General Staff Officers Course and the Advanced Military Studies Course as part of their requirement for the Master of Military Art and Science degree. All theses are entered into the Defense Technical Information Center, Cameron Station, Alexandria, Virginia 22314, which will provide copies to qualified users. Copies will not be available until spring 1988.

American Intervention in Russia, 1917-1918: A
Study in Political-Military Relationships
Maj David B. Morgan

Analysis of the Perceptions of Division Senior Combat
Arms Leaders on the Tactical Competence of
